Farmers have eight more months until Shmitah ends! That’s eight months of wondering how to pay for groceries. It’s eight months of worrying if they’ll lose their land and customers. It’s eight more months of unwavering sacrifice for the mitzvah of Shmitah. If you haven’t yet, you can still partner with a farmer before the 2021 fiscal year end. Aish of the Rockies has partnered with a farm in Israel, and committed to raise \$30,000. Please join our team! <https://www.kerenhashviis.org/teams/182/>

Aish of the Rockies requires masking indoors for all individuals, per Tri-County Health Dept public order.
