**Sept 25 – As the year of Shmittah 5782 comes to a close, it's important to remember a special mitzvah that we only have once every seven years.** Even though those who live outside of Israel did not have the opportunity to let their land lie fallow during the year of Shmittah, there is a mitzvah that does apply to us. Shmitas Kesafim, to cancel all debts at the end of the Shmittah year. To observe this mitzvah properly, it is important to execute a special document, a Pruzbul, to avoid the cancelation of any debts that you don't want to have cancelled. **Please see the flyers section for the current Halacha that explains the source and the workings of the Pruzbul, as well as instructions for how to execute a pruzbul.** On Sunday, Sept 25, there will be a Beis Din available at Aish to create a pruzbul in person which is the best option. If you can't make it, please see the instructions and document to create a pruzbul remotely.

**The "Mischebeirach" List:** To make sure we always have current information about ill persons in need of prayer, the Mischebeirach prayer list will now be updated at the start of each Hebrew month. Please provide the Hebrew name(s) of the ill person and the Hebrew name(s) of their mother. If you don't have that information, send their English names. Please submit to [msiderson@aishrockies.org](mailto:msiderson@aishrockies.org). This reminder will be sent out monthly, and names should be re-submitted to stay on the list.
